

# TOPICAL SYNOPSIS OF THE ARTICLES AND NOTES.

[NOTE.—The references are to the pages.]

## A.—UNITED STATES FISH COMMISSION—GENERAL.

Steamers of the Fish Commission, 189, 209, 336, 386, 395, 466.

Statistics, bibliographies, directories, 41, 71, 141, 360.

## B.—THE FISHERIES.

*Fisheries, general views, 96.*

Open sea fisheries, 89, 96, 164, 198, 256, 291, 301, 429.

Atlantic shore fisheries, 85, 98, 110, 166, 216, 337.

Fisheries of the Gulf of Mexico, 92, 145, 245, 285, 304, 311, 351.

Fisheries of the Great Lakes, 113.

Fisheries of Labrador and Newfoundland, 6, 71, 73.

River and inland fisheries, 84, 264, 338.

Gloucester fisheries, 49, 57, 162, 166, 171, 197, 203, 332, 343, 344, 442.

British Columbia fisheries, 424.

Scotch fisheries, 217.

Malta fisheries, 400, 457.

Whale and fish oil, 63, 169, 207, 352, 466.

Cod, hake, and haddock fisheries and culture, 6, 49, 57, 89, 109, 162, 168, 170, 203, 234, 316.

Black-cod fisheries, 225.

Mackerel fisheries, 25, 40, 57, 163, 167, 170, 333, 343, 442.

Menhaden fisheries, 75, 110.

Halibut fisheries, 57, 90, 429.

Haddock fisheries, 205, 207.

Herring and sardine fisheries, &c., 17, 40, 61, 87, 163, 192, 203, 241, 297, 349, 417.

Salmon fisheries, 14, 74, 95, 185.

Swordfish fisheries, 57.

Shad fisheries, 110, 177, 192, 422.

Shad, whitefish, salmon, trout, bass, carp, &c. (See also under D.)

Red snapper, 92, 145.

Blackfish, 91.

Sturgeon, 275.

Porpoise, 3, 415.

Eels, 306, 315.

Squid, 59, 62.

Seals, 19, 169.

Sharks, 301.

Lobsters, 26, 111.

Crabs, 26.

Pearls, 292.

Sea-serpents, 325.

Fishing vessels, 69, 165, 170, 342.

Apparatus and baits of fishing, 49, 64, 93, 134, 200, 203, 230, 319, 324, 328, 464.

Products of the fisheries, 295, 316, 362, 410, 415, 417.

Fish market reports, 105, 199, 348.

Fishermen, 281.

Legislation and petitions, 180, 241, 271, 343, 350, 425, 447.

## C.—NATURAL HISTORY OF MARINE LIFE.

- Natural history of fishes, &c., 1, 33, 78, 86, 91, 96, 135, 169, 448, 472.  
 Classification and nomenclature of fishes, 80, 191, 310.  
 Rare occurrences, 131, 132, 337, 358, 450, 466.  
 Enemies of fish and oysters, 77, 78, 88, 112, 127, 211, 221, 243, 311, 331, 342, 353.  
 Concerning water good for or injurious to fish, 68, 111, 125, 151, 264, 267, 313, 346, 357, 427.  
 Mortality of fish, 65, 72.  
 Food of marine animals, 78, 277, 305, 341, 347.  
 Temperatures of water, &c., 142, 375, 394, 399, 408.

## D.—CULTURE OF MARINE FORMS.

- Fish-culture, 70, 83, 107, 289, 312, 365, 367, 465.  
 Shad culture and distribution, 100, 101, 308, 313, 340, 348, 365, 369, 386, 395, 401, 422.\*  
 Whitefish culture and fisheries, 99, 113, 263, 273, 312, 321, 324, 358, 470.  
 Codfish culture (see also under B), 154, 357, 647.  
 Salmon culture and fishing, 185, 260, 272, 287, 307, 309, 440, 468, 469.  
   *California salmon*, 28, 261, 343, 366, 466.  
   *Penobscot salmon*, 51, 423.  
   *Schoodic salmon*, 51, 81, 263, 323, 367, 423, 469.  
 Trout fishing and culture, 100, 104, 108, 111, 243, 262, 309, 338, 349, 351, 435, 436, 467, 469.  
 Carp and pond culture, 36, 102, 104, 106, 209, 235, 249, 250, 252, 283, 338, 342, 359, 423, 435, 448, 468.  
   Water plants, 109, 339, 353, 465.  
 Catfish, 84, 84, 347, 433, 467.  
 Eel fishing and culture, 315, 320.  
 Bass fishing and culture, 359, 465.  
 Striped bass, 35, 96, 315.  
 Goldfish and golden ide, 254, 467.  
 Buffalo, 190.  
 Frog culture, 209, 339.  
 Oyster, clam, and mussel culture, &c., 52, 78, 77, 89, 127, 129, 184, 161, 174, 161, 193, 257, 261, 343, 356, 418, 623, 466.  
 Lobster fisheries and culture, 31, 121, 230, 437, 446.  
 Hatching houses and apparatus, 83, 106, 149, 201, 308, 309, 439, 451.  
 Transportation of fish, 67, 106.  
 Exporting fish eggs and young fish, 79, 81, 84, 102, 247, 329, 339, 347, 352, 358, 438.  
 Importing fish eggs and young fish, 85, 468.  
 Fish-culture abroad, 102, 146, 154, 201, 235, 244, 247, 249, 250, 252, 255, 260, 261, 272, 273, 338, 349, 400, 423, 440, 451, 463.  
 Fishways and obstructions to fish, 264.

## E.—MISCELLANEOUS.

- Economic interests relating to fish, 38, 79, 86, 94, 232, 359, 369.  
 Preservation of specimens, 32, 70.  
 Translations, 38, 102, 146, 154, 185, 193, 200, 201, 244, 257, 260, 261, 264, 267, 275, 277, 289, 295, 297, 301, 306, 316, 331, 349, 353, 410, 417, 428, 429, 437, 440.
