

# INDEX.

Page.		Page.	
Aération of Sturgeon Eggs in hatching.....	336, 337	Boats employed in Irish Mackerel Fisheries.....	360
Air circulation for Salt-water Aquaria.....	161	Boiler Incrustations, effect of Sodium Alginate on..	375
Alowife Fishery of United States.....	408	Bonito Fishery of Japan.....	425, 426
Algae, utilization of, in Japan.....	434	Borodine, N., Statistical Review of Fish-Culture in Europe and North America.....	193-196
Algic Cellulose.....	375	Brackett, E. A., Letter of Invitation to State Fish Commissioners.....	7
Algin (a new Gelatinous Substance).....	373-375	Breeding natural Food artificially for young Fish artificially hatched, A. Nelson Cheney on.....	277-279
Allen, T. F.....	135	Brill, development of.....	254
American Fish-Culture, Oscar Nordqvist on.....	197-200	British Guiana, Fish and Fishing in.....	237-240
American Fisheries, Maintenance and Improve- ment of, H. M. Smith on.....	287-292	<i>Brosminius brosmie</i> (torsk), eggs and larvæ of.....	250-252
Anchovies of Puget Sound.....	378-380	Brooks, W. K., on Origin of Food of Marine Animals..	87-92
Apparatus for regulating Temperature of Water in Aquarium.....	160	Cameo Work.....	452
Apparatus of United States Fisheries, Catch by dif- ferent Forms of.....	408-411	Canada, the Fisheries of.....	341-343
Apparatus, Vessels, and Capital of United States Fisheries.....	394-398	Capital, Apparatus, and Vessels of United States Fisheries.....	394-398
Aquarium of U. S. Fish Commission at Columbian Exposition.....	143-190	Carp and Goldfish of Japan.....	428
Aquarium, report of Director Forbes.....	143-158	Carrier Pigeon and Telegraphic Service for Sea Fish- eries.....	308
Armistead, J. J., on Atmospheric and other Influ- ences on the Migration of Fishes.....	98-99	Catch by different Forms of Apparatus in United States Fisheries.....	409-411
<i>Arnoglossus megastoma</i> (the Sail Fluke), Develop- ment of.....	252, 253	Caviar, coarse.....	329
Astrakhan, Plague at.....	314	Chemical Preservatives.....	300
Atkins, Charles G.....	278	Cheney, A. Nelson, on breeding natural Food artifi- cially, for young Fish artificially hatched.....	277-279
Atkins, C. G., on rearing Young Salmonoid Fishes..	221-228	Cholera and Fish.....	312-314
Atmospheric and other Influences on the Migration of Fishes.....	93-99	Church, Daniel T., on Sea and Coast Fisheries.....	37, 38
Augur, C. H., on Fish Nets.....	381-388	Clam Fishery of United States.....	407
Autumn Mackerel Fisheries of Ireland.....	358, 359	Clark, Frank N., on Whitefish Culture.....	213-220
Awabi Fishery of Japan.....	436	Clinton, G. P., Observations and Experiments on <i>Saprolegnia</i> infesting Fish.....	163-172
Ayu ( <i>Plecoglossus altivelis</i> ) Fishery of Japan.....	429, 430	Close season in Ohio.....	353
Bacterial Infection of Fish.....	327, 328	Cod fishery of Canada.....	343-345
Baird, Spencer F., on increase of Scup.....	40	Cod fishery of Japan.....	427, 436
Bartlett, S. P.....	148	Commission on Sea and Shore Fisheries recom- mended.....	38
Bean, Tarleton H., report as Secretary of World's Fisheries Congress.....	1-14	Comparative Statistics of Catch of certain Products in 1880 and 1892.....	418
Bean, Tarleton H.....	154	Condemned Fish.....	330, 331
Bibliography of <i>Holophrya</i> ( <i>Ichthyophthirius</i> ) <i>multi-</i> <i>filis</i> .....	175	Cost of rearing young Salmonoid Fishes.....	223
Billingsgate Fish Markets.....	297, 300, 304, 312, 320, 323, 331, 332, 333	Counting small Fish in Hatcheries.....	227
Biological Research in relation to the Fisheries, John A. Ryder on.....	59-63	Crab Fishery of United States.....	406
Birge, E. A.....	130, 135	Craig Brook Station, methods employed in rearing young Salmonoid Fishes.....	221-223
Bites and Wounds caused by handling Fish.....	319	Crustacean Fisheries of Japan.....	433, 434
Black Bass fry, Size and Appearance of.....	230	Dams, effects of.....	23
Black Bass fry, transferring and planting.....	233	Dannevig, G. M.....	257
Black Bass, propagating in Ponds, W. F. Page on..	229-236	Dean, Bashford, on recent Experiments in Sturgeon hatching on the Delaware River.....	375-389
Black Bass, Spawning period of.....	230	Decrease of Food-Fishes in American Waters.....	21-35
Blackford, E. G., remarks as chairman of Fish-cul- tural Section of Fisheries Congress.....	191	Deep-water Oyster-culture, H. C. Rowe on.....	273-276
Blanchard, R.....	135	Delaware River, Sturgeon-hatching Experiments on..	335-339
Bluefish, decrease of.....	27	Depth Migrations of Pelagic Animals, Influence of light on.....	65-68
Bluefish Fishery of United States.....	408, 409	Distributing tank for Aquarium.....	159

	Page.		Page.
Dolphin and Whale Fisheries of Japan .....	419-438	Fungus on Fish Eggs .....	338
Domestic animals poisoned by bad Fish .....	318	Furniture inlaid with Mother-of-Pearl .....	451
Dry-air Refrigeration for Fish .....	291, 301, 302, 303	Fur Seal, Past and Future of, by J. Stanley-Brown. 361-370	
Duff, H. W., on Decrease of Fisheries .....	43	Fur Seal, Southern .....	361
Dunbar, Scotland, Marine Hatchery at .....	257-262	Fyke or Hoop Nets .....	24
Dutch Fisheries .....	37, 42	<i>Gadus minutus</i> , peculiar example of .....	246, 247
Eisen, G. ....	185	<i>Gadus minutus</i> (the poor cod), Eggs and Larvæ of .....	245, 246
Electric Eels .....	239	<i>Gadus virens</i> (codfish), Eggs of .....	247, 248
Enforcement of Fishery Laws .....	33-35	Geisdorf, Ferdinand .....	350
Evermann, Barton W., on Investigation of Rivers and Lakes with reference to Fish Environment ...	69-73	Gill-net Fishing in Lake Erie .....	350, 352
Explosives, use of .....	25	Georgia, Oyster Industry of .....	263-272
Feeding Fry .....	190	Giant Kelp, economic Value of .....	371-376
Filters for salt water .....	160	Gilbert, W. L., on Trout Culture .....	47, 48
Fish and Special Diseases .....	315	Glutted Markets .....	333
Fish-Baskets .....	24, 34	Goldfish and Carp of Japan .....	428
Fish Commission, U. S., policy of .....	62	Goode, George Brown, on Relation of Scientific Re- search to Economic Problems .....	49-58
Fish-cultural Investigations at St. Andrew's Marine Laboratory, Scotland .....	241-256	Government Fish Inspection .....	293
Fish-culture .....	55-56	Great Britain and Ireland, Reforms and Improve- ments suggested for Fisheries .....	293-310
Fish-culture in Europe and North America, Statisti- cal Review of .....	193-196	Great Lakes, Assimilation of Fishery Laws of .....	17-20
Fish-culture in Michigan .....	201-211	Great Lakes, Products of Fisheries of .....	402
Fisherman of Japan .....	437	Green, Rev. W. S., on Irish Mackerel Fisheries ...	357-360
Fisheries, Biological Research in relation to .....	59-63	Green, Seth .....	214
Fisheries Intelligence Service of Canada .....	309	Griggs, T. J. ....	148
Fisheries of Canada .....	341-348	Gulf States, Products of Fisheries of .....	401
Fisheries of Great Britain and Ireland, Reforms and Improvements suggested .....	293-310	Halibut, Remarks on Eggs and Young of .....	248-250
Fisheries of Japan .....	419-438	Harron, L. G. ....	147, 154
Fisheries of United States in 1880 and 1892 .....	413, 414	Harvesting Black Bass Fry .....	235, 236
Fisheries of United States, tabular Statement of ...	403	Hatching (the) of Marine Fishes in relation to the Fisheries .....	244, 245
Fisheries of United States, Statistics of .....	389-417	Herrick, Francis H., on the Habits and Develop- ment of the Lobster and their Bearing upon its Artificial Propagation .....	75-86
Fisheries of Virginia Coast .....	355, 356	Herring Fishery of Canada .....	345, 346
Fishes developed at St. Andrew's Marine Laboratory	241-244	Herring Fishery of Japan .....	432
Fishery Laws, Enforcement of .....	33-35	Herrings, Smelt, and Sardines, methods of securing. 376, 377	
Fishery Laws of Great Lakes, Assimilation of .....	17-20	Ice, use of, in Fishing Operations .....	291, 300
Fishery School .....	57	<i>Ichthyophthirius multifiliis</i> , infesting Fish in the Aquarium .....	173-190
Fish Fungus ( <i>Achlya</i> ) .....	338	Illinois, Restrictive Fishery Regulations of .....	18
Fish Hatcheries of Pennsylvania, statistics of .....	22	Infection of Fish by impure Preservatives .....	328, 327
Fishing Industry, importance of .....	392	Influence of Light on Migrations of Pelagic Animals, J. Loeb on .....	65-68
Fishing Methods at Port Townsend, Washington ...	376, 377	International Fishing conferences .....	20
Fishing Population of United States .....	392-394	Investigation of Rivers and Lakes with reference to Fish Environment, B. W. Evermann on .....	69-73
Fish Inspection by Government .....	293	Irish Fisheries, demand for development of .....	310
Fish Nets, C. H. Augur on .....	381-388	Irish Mackerel Fisheries .....	357-360
Fish Oil .....	60	Ito, K., on Fisheries of Northern Japan .....	435-438
Fish Parasites, Observations concerning, by Edwin Linton .....	101-112	Jacobi, Stephen Ludwig .....	213
Fish Protection, Essentials to successful .....	35	Japan, Fisheries of .....	419-438
Fish-Protective Associations .....	34	Jennings, H. S. ....	130
Fish Spoiling through Carelessness, Filth, etc. ....	299	Jewell Filter Company of Chicago .....	146
Flounder and Sole Fisheries of Japan .....	427, 428	Johnson, L. N. ....	135
Food-Fishes in American Waters, Decrease of .....	21-35	Joncas, L. Z., on the Fisheries of Canada .....	341-348
Food-Fishes, Report of English Commissioners on ..	37, 42	Jones, Alexander .....	154
Food for Aquarium Fish .....	153	Kelp, Giant, economic Value of .....	371-376
Food for young fish .....	277-279	Keyes, C. M., on the Fishing Industry of Lake Erie. 349-357	
Food of Marine Animals, origin of, W. K. Brooks on	87-92	Kombu (Algae) Fishery of Japan .....	433
Food of the Menhaden, James I. Peck on .....	113-126	Koshering .....	333
Forbes, S. A., report on the U. S. Fish Commission Aquarium at Columbian Exposition .....	143-158	Kunz, G. F., on Pearls and the Utilization and Ap- plication of their Shells in the Ornamental Arts, as shown at the Columbian Exposition .....	430-457
Foul Fish and Filth Fevers .....	311-334	Lacquer Wares ornamented with Inlaid Work .....	450
Foul Fishing Boats and Fish Boxes .....	322-324	Lake Erie, Fishing Industry of .....	349-353
Fresh-water Fisheries of Canada .....	347, 348	Lake Study, outline for .....	71, 72
Fresh-water Pearls and Pearl Shells of the United States .....	455, 456		
Fulton, T. Wemyss, on Marine Hatchery at Dunbar, Scotland .....	257-262		

	Page.		Page.
Lawrence-Hamilton, J., on Foul Fish and Filth Fevers .....	311-334	Ocean Fishes and Effect of Legislation on the Fisheries upon, J. M. K. Southwick on .....	39-45
Lawrence-Hamilton, J., on Reforms and Improvements in the Fisheries of Great Britain and Ireland .....	293-310	Ocean Fishes, Decrease in Numbers .....	40
Legislation, Effect on the Fisheries .....	44, 45	Oemler, A., on Oyster Industry of Georgia .....	263-272
Linton, Edwin, on Fish Parasites .....	101-112	Ohio, Restrictive Fishery Regulations of .....	18
List of topics for consideration of State Fish Commissioners .....	8	Open pools for fish in Aquaria .....	150
List of members of World's Fisheries Congress .....	13, 14	Outline for Lake Study .....	71-72
Lobster Fishery of Canada .....	347	Overfishing .....	309
Lobster Fishery of United States .....	406	Oyster-culture, deep-water .....	273-276
Lobster, food of .....	76	Oyster Fishery in 1880 and 1892 .....	415
Lobster, Habits and Development of, F. H. Herriek on .....	75-86	Oyster Fishery of Canada .....	347
Lobster ( <i>Homarus americanus</i> ), range of .....	76	Oyster Industry of Georgia, by A. Oemler .....	263-272
Lobster, length of yearling .....	83	Oyster Output of United States .....	405
Lobster, number of Eggs .....	79, 80	Oysters and other Mollusks of Japan .....	433
Lobster, molting .....	77, 78	Oysters, Food of .....	59, 60
Lobster, time of feeding .....	77	Pacific Coast, Fishes of .....	31-32
Lobster, What we know of the, by Fred. Mather .....	281-286	Pacific States, Products of Fisheries of .....	402
Loeb, Jacques, on Influence of Light on Migrations of Pelagic Animals .....	65-68	Page, W. F., on Propagation of Black Bass in Ponds .....	229-236
Lydell, Dwight .....	130	Parasites on Aquarium fish .....	154-158
MacCallum, G. A., on Assimilation of Fishery Laws of the Great Lakes .....	17-20	Parasitic Protozoan on Fish in the Aquarium, report by C. W. Stiles .....	173-190
Mackerel Fishery of Canada .....	346	Paris Tribunal of Arbitration .....	365-367
Mackerel Fishery of Japan .....	422, 423	Pearl Oyster, Cultivation of .....	457
Maggots used in feeding Young Fish .....	223-225	Pearls, and the Utilization and Application of their Shells in the Ornamental Arts, as shown at the World's Columbian Exposition .....	439-457
Marine Biological Laboratory .....	62	Pearls used by prehistoric tribes of America .....	443
Marine Hatchery at Dunbar, Scotland .....	257-262	Peck, James I., on the Food of the Menhaden .....	113-126
Marks, Jesse .....	130	Pelagic sealing .....	364, 365
Mather, Fred., on What we know of the Lobster .....	281-286	Pennsylvania, Restrictive Fishery Regulations of .....	18
Marsh, C. D. ....	135	Pennsylvania, operations of State Hatcheries .....	22
McDonald, Marshall, Address as General Chairman of World's Fisheries Congress .....	15-16	Pieters, A. J. ....	130
McDonald, Marshall, Letter as Chairman of General Committee .....	6-7	Plague at Astrakhan .....	314
McIntosh, W. C., on Fish-cultural Investigations at St. Andrew's Marine Laboratory .....	241-256	Plankton Studies in Great Lakes, J. E. Reighard on .....	127-142
Members proposed for Advisory Council of Fisheries Congress .....	5-6	Pollution of streams .....	23
Menhaden .....	43	Post, Hoyt, on Fish-Culture in Michigan .....	201-211
Menhaden, Decrease of .....	27-30	Pound-net Fishing in Chesapeake Bay .....	355
Menhaden, Food of .....	113-128	Pound-net Fishing in Lake Erie .....	349, 352
Michigan, Fish-Culture in .....	201-211	Pound Nets .....	31
Michigan Waters, Fish planted in .....	211	"Professional" Putrefactive poisoning .....	317
Michigan, Restrictive Fishery regulations of .....	18	Program of Congress on Fish and Fisheries .....	9-11
Middle Atlantic States, Products of Fisheries of .....	400	Propagating Ponds for Black Bass .....	232
Migration of Fishes, Atmospheric and other Influences upon, by J. J. Armistead .....	93-99	Preliminary Address of General Committee on World's Fisheries Congress .....	3-6
Miller, S. B., letter of .....	38	Products of United States Fisheries .....	398-411
Milner, J. W. ....	214	Provisional Program for Fisheries Congress .....	8-9
Minnesota, Restrictive Fishery Regulations of .....	18	Publications of St. Andrew's Marine Laboratory .....	254-256
Mora, J. B. ....	147	Puget Sound, Fisheries and Fishery Industries of, James G. Swan on .....	371-380
Mosquito Larvæ used in feeding Young Fish .....	226	Putnam, Prof. F. W. ....	441, 443
Moorehead, Warren K. ....	441, 443	Pumps and Electric Motors for Aquarium .....	159
Mother-of-Pearl Work .....	451	Purse seine, effect of .....	289
Net for taking Plankton .....	137	Quelch, J. J., on Fish and Fishing in British Guiana .....	237-240
Nets for handling Black Bass fry .....	233	Rank and Value of Principal Fishery Products of United States .....	404
New England States, Products of Fisheries of .....	399	Rasch, Prof. ....	219
New York, Restrictive Fishery Regulations of .....	18	Ravenel, W. de C. ....	154
Nordqvist, Oscar, on American Fish-Culture .....	197-200	Reeves, I. S. K., on Water Supply and Pumping Plants of the Aquarium .....	159-161
Northern Japan, Fisheries of .....	435-438	Refrigeration applied to Bait Preservation .....	302
Nursery for Black Bass fry .....	234, 235	Refuse Fish Products, utilizing .....	292
Observations concerning Fish Parasites, by Edwin Linton .....	101-112	Reighard, J. E. ....	197, 207, 209
		Reighard, J. E., on Plankton Studies in the Great Lakes .....	127-142
		Relation of Scientific Research to Economic Problems, George Brown Goode on .....	49-58

	Page.		Page.
Resolutions of International Fishery Conference...	20	Squid Fishery of Japan.....	437
Restrictive Fishery Regulations of States bordering on Great Lakes .....	18	State Fish Commissions.....	65
Rowe, H. C., on deep-water Oyster-culture.....	273-276	Statistics of Fisheries of Japan .....	438
Rubber Comb Company of Rochester .....	147	St. Andrew's Marine Laboratory, publications of ...	254-256
Ryder, John A., on Biological Research in Relation to the Fisheries .....	59-63	St. Andrew's Marine Laboratory, Scotland, Fish- cultural Investigations at.....	241-256
Salmonoid Fishes, rearing young.....	221-228	Stanley Brown, J., on Past and Future of the Fur Seal .....	361-370
Saline Soddening, or Meat "Koshering," by Jews...	333	State Commissions, letter of invitation to members of .....	7
Salmon Fishery of Japan.....	429, 436	State Control of inland Waters in United States....	353
Salt, Uses and Effects in preserving Fish .....	328, 329	Statistics of Fisheries of United States.....	389-417
Salt-water Fishes, decrease of .....	26-31	St. Petersburg, Cholera Epidemic at .....	314
Salt water for Aquarium use.....	146, 152	Stiles, C. W., on a Parasitic Protozoan infesting the Fish in the Aquarium.....	173-190
Salt-water Pipe, Pumps, etc., for Aquarium .....	161	Stranahan, J. J.....	148
Salt-water Reservoir for Aquarium.....	159	Strikes, Poverty, Filth, and Disease.....	322
Sanitary Fish Market, requirements for .....	304	Striped Bass introduced on Pacific Coast .....	191
Sanitary fresh-food Markets .....	324, 325	Sturgeon, recent Hatching Experiments on Dela- ware River.....	335-339
<i>Saprolegniaceae</i> , literature upon .....	171-172	Spring Mackerel Fisheries of Ireland.....	357, 358
<i>Saprolegnia</i> infesting Fish, Observations and Experi- ments on. By G. P. Clinton.....	163-172	Swan, James G., on Fisheries and Fishery Indus- tries of Puget Sound.....	371-380
Sardine Fishery of Japan .....	430, 431	Tai (Scup) Fishery of Japan .....	421, 422
Sardine Fishery of Puget Sound.....	378-380	Technical Schools for Fisherfolk.....	306-308
Sardines, Smelt, and Herrings, methods of securing.	376, 377	Telegraphic and Carrier Pigeon Service for Sea Fish- eries .....	308
Schools for Fisherfolk.....	306-308	Temperature of Water in Aquaria.....	151
Soup, Increase of.....	40	Tiffany Pavilion at Columbian Exposition .....	440
Soup (Tai) Fishery of Japan .....	421, 422	Torturing and Starving Fish.....	296-298
Sea and Coast Fisheries, Daniel T. Church on.....	37-38	Treatment of Fish when first caught .....	295
Seal, Fur, J. Stanley-Brown on.....	361-370	Trepang (Sea-cucumber) Fishery of Japan .....	436
Sealing Regulations.....	367-369	Trout-culture, Past, Present, and Future of .....	47-48
Seal life, Facts of.....	364	Tunny Fishery of Japan.....	424, 425
Seaweed as Food.....	372, 373	Unbled and Ungutted Fish in Markets.....	294
Seaweed, Manufacture of.....	373	United States Fisheries compared with those of other Countries .....	412
Seining, Memorial upon .....	41	Utilization of Waste Fish and Fish Products.....	305
Shad Fishery in 1880 and 1892.....	414, 415	Vessels, Apparatus, and Capital of United States Fisheries.....	394-398
Shad Fishery of United States .....	407	Virginia Coast, Fisheries of .....	355, 356
Shad introduced on Pacific Coast.....	191	Wall-eyed Pike, methods of Hatching .....	197-207
Shell Carvings and Cameo Work .....	452-454	Walker, Bryant .....	135
Shell Material, miscellaneous uses of.....	454	Ward, H. B.....	130
Shellwork and Mother-of-Pearl in Furniture and Jewelry .....	447-452	Water Supply and Pumping Plants used for the Aquarium.....	150-161
Shore Fishery Industries of United States.....	411	Weakfish (Squeteague) Fishery of United States...	408
Smelt, Herrings, and Sardines, methods of securing.	376, 377	Whale and Dolphin Fisheries of Japan .....	410-438
Smith, Frank .....	130	Whale fishery of United States .....	405
Smith, Hugh M., compilation on Fisheries of Japan.	419-438	What we know of the Lobster, by Fred. Mather....	281-286
Smith, Hugh M., on Statistics of the Fisheries of the United States .....	389-417	Whitefish-Culture, History and Methods of, by Frank N. Clark .....	213-220
Smith, Hugh M., on the Maintenance and Improve- ment of American Fisheries .....	287-292	Whitefish Eggs distributed by U. S. Fish Commission, 1872-93 .....	218
Snapping-turtle Culture in Japan .....	421	Whitefish Fry distributed by U. S. Fish Commission, 1876-1893 .....	219
Sodium alginate, commercial application of.....	375	Weakfish, or Squeteague, Decrease of .....	26
Sole and Flounder Fisheries of Japan .....	427, 428	Wilkins, J. T., on Fisheries of Virginia Coast.....	355, 350
South Atlantic States, Products of Fisheries of .....	400	Wilmot, Samuel .....	214, 215
