

# INDEX.

[For special index to article on the edible qualities of carp, see pages 328-332.]

	Page.		Page.
<b>A.</b>			
Abalones exported from San Francisco...	425	Anguilla rostrata .....	430
Abborfors piscicultural establishment...	377	vulgaris .....	430
Abbott, Charles C. ....	3	Anna Bell, schooner, her catch .....	158
Acclimation, Society of, referred to.....	207	Anna Fey, schooner, cod nets used by...	158
Acmea pelta of Puget Sound.....	356	Annie L. Wilcox, str., weakfish catch ...	177
Adams, A. Leith .....	3	Anthony, Charles W., cited.....	410
Ælurichthys, similar to Arius.....	225	Antisdel, John F., referred to.....	122
Agassiz, Prof. Alexander.....	228, 433	Apparatus for fish hatching... 84, 184-191, 346, 347	
Louis, cited .....	452	fishing, bibliography of... ..	82
Akekio, Sekizawa.....	3	Appropriations .....	149, 150, 231, 238, 341, 342, 343
Alabama, its fish commission.....	108, 117, 150, 152	Aquarium of Trocadero, salmon in.....	207
fisheries .....	270, 271	Aquatic plants of the Northern States...	257
Alabama River, shad deposited in .....	200	Aracæ, notes on species.....	261
Alaska, its fisheries .....	270, 271	Arachon, Bay of, saltness of water in...	216
Alaska Commercial Company, referred to	205	Argyrea, Menidia placed under genus ...	193
Albatross, U. S. steamer.....	116, 342, 344, 467, 468	Arius, its development.....	225
Albro, Samuel .....	3	boakeil, referred to .....	225
Alewife, its introduction in Belgium.....	438	Arizona fish commission .....	117, 150-152
movements.....	170	Arkansas fish commission .....	117, 150-152
schooling with other fish ...	163, 164	Arminstead, Joseph I.....	375
Alexandrowitsch, Grand Duke Lergej... ..	368	Armistead, A. Wilson.....	4
Alfthan, Mr., referred to .....	377	Armory hatching station .....	187, 225
Allsma plantago, var. Americanum .....	263	Arnold, jr., Isaac .....	4
Allsmacæ, notes on species.....	263	Arrow arum .....	261
Allen, J. M. ....	407, 408	Arrowhead .....	263
William S. ....	3	Arrow-leaved tear-thumb .....	261
All-eyes, a kind of mackerel food.....	172, 206	Arthur, W. ....	5
Allport, Morton.....	3	Articles issued by the Fish Commission..	3-77
Alosa præstabilis .....	370, 373	Artificial fish-culture, its results .....	303, 304, 380, 381, 386
sapidissima, its edible qualities.....	346	Arum, arrow.....	261
introduction in Bel-		water .....	261
gium.....	219, 348	Arundinaria tecta .....	265
movements .....	478	Ascaris lumbricoides, its fecundity .....	306
vulgaris, its edible qualities.....	346	Aspredo lœvis, its development.....	225
Amelia S. Colo, schooner, her catch .....	178	Atherinichthys, Menidia under genus.....	193
Ameln, Johan .....	3	Atkins, Charles G., referred to... 4, 5, 68, 70, 115, 373	
American Fishculturists' Association.....	222, 223, 340, 341	Atlantic City Review, extract from.....	462
American frog's-bit .....	263	Atlantic shore fisheries, bibliography of .	81
A. M. Hathaway, steamer, her catch.....	174	Atwater, W. O.....	5
Amiurus albidus, biology of.....	225-230	Atwood, Capt. N. E.....	5, 411, 413, 414, 431
Ammannia humilis.....	259	William .....	5
latifolia .....	250	Australia, fish exported to .....	425
Anchovies, exports and imports of.....	275, 277	Austria, fish-culture in.....	372, 381
Anderson, Alexander C.....	122, 204	Authors of papers published by the Fish	
G. A. ....	3	Commission .....	3-77
John, contributor.....	429	<b>B.</b>	
R. B. ....	3	Babbitt, John O.....	463
Anderssen, Joakim .....	3, 36	Babcock, Lieut. W. C., referred to ...	115, 116, 225
Anderton, J. L. ....	3	Babson, F. J. ....	5
Andrews, N. L., referred to .....	122	Bacteria eaten by young oysters .....	285
Angle-worm culture .....	410		

	Page.		Page.
<i>Bagrus</i> , its developments .....	225	<i>Bibliography of publications</i> .....	81
Baille, William L., referred to .....	116	<i>Bidens beckii</i> .....	259
Baird, George W., referred to .....	116	<i>cernua</i> .....	259
Prof. S. F., articles and letters by .. 5-9, 239,	272, 301, 438, 439	<i>chrysanthemoides</i> .....	259
letters to .....	153,	Biological Society, referred to .....	187
159, 161, 162, 192, 196, 230, 240,		Bishop-weed, mock .....	259
256, 278, 280, 295, 297, 302, 332,		Bissell, John H., referred to .....	119
353, 362, 392, 408, 409, 410, 411,		Bitter cream .....	258
416, 417, 429, 431, 433, 430, 437,		Black bass, its abundance and value .....	224, 319
439, 440, 442, 443, 445, 446, 447,		<i>bibliography</i> .....	222
448, 455, 456, 459, 462, 463, 466,		<i>habits and habitat</i> .....	222
467, 469, 470, 471, 472, 476, 478,		<i>introduction into Germany</i> .....	221
referred to .....	1, 34, 58, 85, 115,	<i>sale in Fulton Market</i> .....	426
117, 127, 128, 154, 188, 187, 207,		<i>successful transplanting</i> .....	223
216, 221, 247, 260, 305, 333, 339,		Blackfish trade of Fulton Market .....	426
341, 365, 373, 428, 439, 441, 448		Blackfish whale, its size .....	182
Bait .....	157, 159, 170, 174, 176, 410	Blackford, Eugene G. .... 120, 221, 309, 327, 443, 457	
Bait bill of shore cod vessels .....	442	Bladderwort family, notes on species. .... 260	
Baker, Lieut. A. C., referred to .....	116	Blanchard, Prof. Émile, works cited .... 369	
Balfour, Professor, referred to .....	435	Blanks used by the Fish Commission .... 129	
<i>Balistes caprisicus</i> at New Bedford .....	469	Blue carp from Germany .....	406, 443
Ball, H. D. ....	9	Blue Jay, schooner .....	160, 171, 416
Ballot, Prof. Binjs., observations by .... 342		Blue pike in Lake Erie .....	302
Baltic Sea, experiments with oysters in .. 213, 217		Bluefish, its habits and movements. 178, 332, 463, 464	
salinity of its water .....	216	<i>sale in Fulton Market</i> .....	426
Banditten, Eben .....	9, 37	Boeck, Axel .....	13, 35, 78
Banquereau fishery .....	162, 178, 297	<i>Böhméria cylindrica</i> .....	261
Barbara Frichtie, schooner .....	156	Bogart, E. V., referred to .....	117
Barden, John H., referred to .....	121	Bohuslän herring fisheries .....	232
Barfoot, Prof. J. L., referred to .....	121	Bolliston, William .....	13
Barfurth, D. T. ....	9, 35	Bon, M. de .....	13
Barker, E. L., contributor .....	456	Bond, C. W., referred to .....	120
Barkwell, Dr. M. C., referred to .....	122	Bonito, synonym for horse-mackerel. .... 163	
Barnes, A. G. ....	9	Boring sponge destructive to oysters. .... 289	
Capt. William M., article by .... 423		<i>whelk destructive to oysters</i> .....	289
Barnston, George .....	9	Borne, Max von dem. 13, 38, 40, 209, 221, 370, 371, 372	
Barren Island menhaden oil factory .....	460	Botkin, W. W., letter from .....	422
Bartels, H. ....	9	Bouchon-Brandely, Monsieur. 13, 14, 34, 63, 70, 284	
Bartet, Monsieur, article by .....	207	Boush, Ensign Clifford J., referred to .... 116	
Bartlett, S. P. ....	118, 362	Bottemanne, C. J. ....	13, 36
Basilichthys, <i>Menidia</i> placed under genus. 193		Boutkewitch, Frau, referred to .....	435
Bass, their culture and capture .....	84	Bower, Seymour .....	116, 349
their edible qualities .....	318, 319, 334	Brackett, E. A., referred to .....	119
their habits and movements .....	350, 464, 478	Bradford, Gamaliel .....	14
Bates, Mr., referred to .....	178	Brainerd, Herbert, referred to .....	121
Bay of Fundy fishery .....	162, 164	<i>Branchiobdella astaci</i> on carp .....	443
Beak rush .....	265	<i>Brasenia peltata</i> .....	257
Bean, Dr. T. H. . 9., 10, 11, 12, 27-29, 79, 197, 424, 427		Brayton, Alembert W .....	14, 43
Beardslee, L. A. ....	12	Bream, its edible qualities .....	319
Beebe, Samuel C .....	12	Briand, Captain .....	472
Beer, Otto, referred to .....	435	Brightman, Benj. F. ....	14
Behr, Chamberlain von .....	12, 38, 368, 392	Potter .....	14
Belding, L .....	47	Brinley, Francis .....	14
Belgium, fish-culture in .....	218, 437	British Columbia, cod exported to .....	425
Bell, James H. ....	12	the fishery inspector of .....	122
Bendire, Charles .....	12, 13	Broca, P. de .....	14
Benecke, Professor, cited .....	368	Brocchi, Dr. P. ....	79, 80
Benedict, James E .....	80, 116	Brodhead, J. M. ....	14
Bennett, E. W., referred to .....	122	Brook trout and California trout .....	471
Benson, Joseph B .....	13	trade of Fulton market .....	426
Bergenposten .....	36, 77	Brooks, W. K., work cited .....	214
Berlin Fishery Exposition .....	376	Brown, James Temple .....	411, 423
Berneuchen piscicultural establishment .. 370		John E., referred to .....	115, 228
