MISCELLANEOUS PUBLICATIONS

THE FOLLOWING PUBLICATIONS MAY BE OBTAINED, IN MOST INSTANCES, FROM THE AGENCIES ISSUING THEM.

Havana Charter for an International Trade Organization and Final Act and Related Documents. The United Nations publication of the Final Act and Related Documents of the United Nations Conference on Trade and Employment held at Havana, Cuba, November 21, 1947 to March 24, 1948, reproduced and issued by the Office of Public Affairs, Department of State. This 77-page booklet includes the final act of the United Nations Conference on Trade and Employment, Havana Charter for an International Trade Organization, including Annexes, and lists the resolutions adopted by the Conference. Among other items, the Charter covers regulations and policies on tariffs, imports, exports, and inter-Governmental commodity agreements to be observed by member countries.

The booklet is for sale by the Superintendent of Documents, U. S. Government Printing Office, Washington 25, D. C., at 25 cents per copy.

The Smoke-Curing of Fish and the Application of a Controlled Method to the Process, by Clarence L. Anderson and Robert K. Pederson, is Technological Report No. 1, recently issued by the Technology Division, Department of Fisheries, State of Washington. A brief explanation of the principles involved in smoke-curing and a description of a modern controlled smokehouse as well as some smoke-curing processes are given in this 20-page report.

In addition to listing the advantages of the controlled smokehouse in the smoke-curing of fish, it describes smoking procedures for kippered salmon, cold-smoked salmon, hot-smoked smelt, and smoke-curing prior to canning of anchovies, salmon, smelt, oysters, razor clams, and rock clams.

This Technological Report No. 1 is for sale by the Technology Division, Department of Fisheries, Smith Tower, Seattle, Washington, for 25 cents per copy.

Procedure and Criteria with Respect to the Administration of the "Escape Clause" in Trade Agreements. U. S. Tariff Commission, Washington, D. C., 14 pp., Processed. A statement on policy prepared in response to a resolution of the Committee on Ways and Means of the House of Representatives.

The South African Tunas (A Preliminary Study of the Economic Potentialities), by C. G. Molteno, The South African Fishing Industry Research Institute, Cape Town, South Africa, 34 pp., 1948, Printed.

The Spiny Lobster and Scale-Fish Industry of British Honduras (With recommendations for its control and development), by F. G. Walton Smith and Craig A. Gathman. University of Miami Marine Laboratory, Coral Gables, Florida, 29 pp., March 1948, Processed.
