The printing of this publication has been approved by the Director of the Bureau of the Budget, November 5, 1952.

CONTENTS

COVER: HERRING (BRAILED FROM THE SEINE ALONGSIDE THE VESSEL) BEING SPILLED INTO THE HOLD OF A HERRING PURSE SEINER IN SOUTHEASTERN ALASKA. EXPLORATIONS TO DETERMINE THE FEASIBILITY OF WINTER HERRING FISHING IN THAT AREA WERE CONDUCTED BY THE SERVICE'S EXPLORATORY FISHING VESSEL JOHN N. COBB IN THE WINTER OF 1952/53. NUMEROUS CONCENTRATIONS OF HERRING WERE NOT FOUND, BUT THIS DOES NOT ELIMINATE THE POSSIBILITY OF DEVELOPING A WINTER HERRING FISHERY IN THE AREA. (SEE PAGE 1.)
