The printing of this publication has been approved by the Director of the Bureau of the Budget, November 5, 1952.

CONTENTS

COVER: Typical purse-seine vessel used extensively in the Puget Sound salmon fishery. In 1952 purse seiners accounted for about 18.5 million pounds of the salmon landed in the State of Washington. The total salmon catch by all types of gear in Washington amounted to 49.0 million pounds in that year.
