The printing of this publication has been approved by the Director of the Bureau of the Budget, November 5, 1952.

## CONTENTS

COVER: Sorting the catch from a deep-water trawl in March 1955 on the deck of the Service's exploratory fishing vessel Oregon. The vessel has been doing exploratory fishing for deep-water red shrimp and testing long-line fishing for tuna in the Gulf of Mexico (see pp. 45-46 of this issue).
