The printing of this publication has been approved by the Director of the Bureau of the Budget, November 5, 1952.

CONTENTS

COVER: Aerial view of the fishing vessel docks at Tampa--Florida's largest shrimp-producing port. A fleet of over 200 vessels operated out of Tampa in 1954 and, supplemented by vessels from other ports, landed a total of over 15 million pounds of shrimp (heads on), and over 2 million pounds of grouper, mullet, sea trout, red snapper, Spanish mackerel, and other species.
