The printing of this publication has been approved by the Director of the Bureau of the Budget, August 2, 1955. (8/31/57)

CONTENTS

COVER: The George M. Bowers, a new gear-research and exploratory-fishing vessel commissioned by the U. S. Fish and Wildlife Service on January 7, 1956, in Miami, Fla. (See page 1 of this issue.)

CORRECTION: April 1956 issue: The Japanese fishing vessels reproduced on the front cover page and on page 34, labeled Kuroshio No. 21, are labeled incorrectly. The photograph on the cover page is the Bocho Maru No. 1 and that on page 34 is the Shirogami Maru No. 1, according to advice received from Japan.
